**STATE OF TEXAS §

COUNTY OF COLLIN §**

DEVELOPMENT AGREEMENT

This Annexation Agreement ("Agreement") is made and entered into as of this 11 day of January, 2016, ("Effective Date") by and between the City of McKinney, Texas, ("City") and Mabel Lois Etal Rutledge (hereinafter referred to as "Owner," whether one or more) on the terms and conditions hereinafter set forth.

WHEREAS, Owner owns approximately 39 acres, more or less, situated in the R H LOCKE Survey, Abstract No. A0517, Collin County, Texas, as is more particularly described in Exhibit "A," attached hereto and incorporated herein for all purposes allowed by law ("Property"); and

WHEREAS, the City desires to involuntarily annex certain lands including the Property; and

WHEREAS, the Owner objects to involuntary annexation by the City and desires to have the Property remain in the City's extraterritorial jurisdiction as well as retain the agricultural, wildlife management or timber land ad valorem tax exemption status on a certain portion thereof, in consideration for which the Owner agrees to enter into this Agreement; and

WHEREAS, the Owner's above-recited objection to involuntary annexation by the City shall not be construed as: (1) satisfying the requirements of filing a written protest under Chapter 43 of the Texas Local Government Code, including but not limited to Section 43.063(b); or (2) negating or having any effect on the Property being deemed to be voluntarily annexed if same should occur pursuant to Section 3 or Section 5 of this Agreement; and

WHEREAS, the City does not make any guarantee as to the Property retaining any specific tax status or classification, whether agriculture, wildlife management, timber land or otherwise, as such tax classifications are determined by the Central Appraisal District of Collin County and not by the City; and

WHEREAS, this Agreement is entered into pursuant to Sections 43.035 and 212.172 of the Texas Local Government Code, in order to address the desires of the Owner and the procedures of the City; and

WHEREAS, the Owner and the City acknowledge that this Agreement is binding upon the City and the Owner and their respective successors and assigns for the Full Term (as defined in Section 6 of this Agreement); and

WHEREAS, this Development Agreement is to be recorded in the Real Property Records of Collin County;

NOW, THEREFORE, in consideration of the mutual benefits and premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the City and Owner agree as follows:

1. Land Subject to Agreement. The land that is subject to this Agreement is the Property. Owner represents that it is the sole owner of the Property.

2. Continuation of Extraterritorial Status. The City guarantees and agrees to the continuation of the extraterritorial status of the Owner's Property, its immunity from annexation by the City, and its immunity from City property taxes, for the term of this Agreement, subject to the provisions of this Agreement. Except as specifically provided in this Agreement, the City agrees not to annex the Property, agrees not to involuntarily institute proceedings to annex the Property, and further agrees not to include the Property in a statutory annexation plan for the Term of this Agreement.

3. Owner's Obligations to Maintain Extraterritorial Status. The Owner covenants and agrees not to use the Property for any use other than for agriculture, including the raising of livestock and crops, wildlife management, and/or timber land consistent with Chapter 23 of the Texas Tax Code, without the prior written consent of the City.

The Owner further covenants and agrees that the Owner will not file any type of subdivision plat or related development document for the Property with Collin County or the City until the Property has been annexed into, and zoned by, the City.

The Owner covenants and agrees not to construct, or allow to be constructed, any buildings on the Property that would require a building permit if the Property were in the City's corporate limits, until the Property has been annexed into, and zoned by, the City unless such construction is otherwise allowed in an AG-Agricultural District zone within the City save and except to the extent that the construction of such building(s) terminates or invalidates the agricultural, wildlife management, or timber land ad valorem tax exemption applicable to the Property. Owner agrees to obtain permits and inspections from the City, and pay all related fees therefore, when constructing or allowing the construction, on the Property, of buildings that are otherwise allowed in an AG-Agricultural District zone within the City and which buildings do not terminate or invalidate the agricultural, wildlife management, or timber land ad valorem tax exemption applicable to the Property. The Owner also covenants and agrees that the City's AG-Agricultural

District zoning requirements, as such requirements may be amended, apply to the Property; and, that the Property shall be used only for AG- Agricultural District zoning uses that exist on that Property at the time of the execution of this Agreement, unless otherwise provided in this Agreement. However, the Owner may construct an accessory structure to an existing single-family dwelling in compliance with all applicable City ordinances and codes.

The Owner acknowledges that each and every owner of the Property must sign this Agreement in order for the Agreement to take full effect, and **the Owner who signs this Agreement covenants and agrees, jointly and severally, to indemnify, hold harmless, and defend the City against any and all legal claims, by any person claiming an ownership interest in the Property who has not signed the Agreement, arising in any way from the City's reliance on this Agreement.**

4. City Regulation of Use and Development. Pursuant to Sections 43.035(b)(1)(B) of the Texas Local Government Code, the City is authorized to enforce all of the City's regulations and planning authority that do not materially interfere with the use of the Property for agriculture, wildlife management, or timber, in the same manner the regulations are enforced within the City's corporate limits. The use and development of the Property before and after annexation shall conform to the uses, space limitations, density, layout, permitting requirements (including but not limited to submittal of site plans and plats) and development standards (including but not limited to architectural and site standards requirements, parking standards and landscaping standards) set forth by the ordinances of the City (including but not limited to the Comprehensive Zoning Ordinance and the Subdivision Regulations), as they presently exist or may be amended. Prior to annexation, the Property shall be developed as if it has been designated with agricultural zoning. The City states and specifically reserves its authority pursuant to Chapter 251 of the Texas Local Government Code to exercise eminent domain over property that is subject to a Chapter 43 and/or Chapter 212 development agreement.

5. Annexation and Zoning. The City will not annex the Property, unless requested to do so by Owner, during the term of this Agreement, provided that Owner complies with the terms and conditions of this Agreement. The parties agree that the City, in its sole discretion, shall determine whether Owner is in compliance with the Agreement and whether it will approve annexation of the Property. Simultaneously with the termination of this Agreement, the City and Owner agree that the City may, in its sole discretion, initiate annexation proceedings for the Property (the "Annexation").

6. Term. This Agreement is an agreement authorized by Section 212.172 of the Texas Local Government Code. This Agreement is effective as of the date that both the City and the Owner have duly approved, executed and delivered this Agreement. The initial term of this Agreement (the "Initial Term") is five (5) years from the effective date. Upon expiration of the Initial Term, this Agreement shall automatically renew for up to one (1) additional extension term of five (5) years unless — at least 120 days prior to the expiration of the Initial Term or any extension term — the City or Owner provides written

notice as set forth in Section 8 of this Agreement that either party intends to terminate the Agreement upon expiration of the Initial Term or any extension thereof, as applicable. The "Full Term" of this Agreement is defined as the period beginning on the effective date and ending on the date that this Agreement terminates. The term of this Agreement shall not be affected by the fact that some or all of the Property is annexed into the corporate limits of the City.

The Owner, and all of the Owner's heirs, successors and assigns, shall be deemed to have filed a petition for voluntary annexation far enough in advance of the end of the Full Term, to allow for annexation of the Property, or any portion thereof, to be completed on or after the end of the Term. The Owner agrees that any such annexation shall be conclusively presumed to have been adopted with the consent of all appropriate and necessary persons and entities as though a petition for annexation had been duly tendered by all of the owners of the Property. The City may initiate procedures in preparation for such an annexation of all or a portion of the Property under this Section 6 before the expiration of this Agreement, provided, however, that the City may not annex any part of the Property under this Section 6 before the expiration of this Agreement. Further, as an express condition to City's right to annex the Property or any portion thereof under this Section 6, the City must first approve a service plan to provide full municipal services to any portion of the Property annexed in the manner set forth in Section 43.056(b), (c), (e), (f), and (g) of the Texas Local Government Code, as such provisions exist as of the effective date of this Agreement.

If annexation proceedings begin pursuant to this Section 6, the Owner acknowledges that this Agreement serves as an exception to Local Government Code Section 43.052, requiring a municipality to use certain statutory procedures under an annexation plan and the Owner further agrees that the Owner will not in any manner contest any annexation of the Property or any portion thereof initiated by the City under this Section 6 or any annexation of the Property or any portion thereof otherwise completed by the City after the Full Term. In connection with annexation pursuant to this section, the Owner hereby waives any vested rights they may have under Section 43.002(a)(2) and Chapter 245 of the Texas Local Government Code that would otherwise exist by virtue of any plat or construction any of the owners may initiate during the time between the expiration of this Agreement and the institution of annexation proceedings by the City.

7. Default. If any party breaches any of the terms of this Agreement, then that party shall be in default ("Defaulting Party") of this Agreement ("Event of Default"). If an Event of Default occurs, the non-defaulting party shall give the Defaulting Party written notice of such Event of Default, and if the Defaulting Party has not cured such Event of Default within thirty (30) days of said written notice, this Agreement is breached. Each party is entitled to all remedies available to it at law or in equity.

The Owner acknowledges that if any plat or related development document is filed in violation of this Agreement or if the Owner commences development of the Property in

violation of this Agreement, then any provision of this Agreement that restricts or otherwise limits the City's ability to annex the Property or any portion thereof is void. Upon such an occurrence, in addition to the City's other remedies, such act shall constitute a petition for voluntary annexation by the Owner and the Property will be subject to annexation at the discretion of the City Council. The Owner, and all of the Owner's heirs, successors and assigns, agrees that such annexation shall be conclusively presumed voluntary and the Owner hereby consents to such annexation as though a petition for such annexation had been tendered by the Owner with the consent of all appropriate and necessary persons and entities. If annexation proceedings begin pursuant to this Section, the Owner acknowledges that this Agreement serves as an exception to Local Government Code Section 43.052, requiring a municipality to use certain statutory procedures under an annexation plan. However, as an express condition to City's right to annex the Property, the City must approve a service plan to provide full municipal services to any portion of the Property annexed in the manner set forth in Section 43.056(b), (c), (e), (f), and (g) of the Texas Local Government Code, as such provisions exist as of the effective date of this Agreement. The Owner further agrees that the Owner will not in any manner contest any annexation of the Property or any portion thereof initiated by the City under this Section 7 or any annexation of the Property or any portion thereof completed by the City after the conclusion of the full term of this Agreement. Furthermore, the Owner hereby waives any and all vested rights and claims that they may have under Section 43.002(a)(2) and Chapter 245 of the Texas Local Government Code that would otherwise exist by virtue of any actions Owner has taken in violation of Section 3 herein and this Section 7.

8. Notice.
